ABOUT US

THE NATIONAL ASSOCIATION OF BOYS & GIRLS CLUBS (NABGC).

The National Association of Boys & Girls Clubs help to add value to the work of local grass-roots youth clubs and projects and that of local county members.

We offer national sports programmes and training opportunities that allows people to

move outside of their usual boundaries, meet new friends from across the UK and learn valuable life skills such as communication, resilience, team work and over-coming challenge.

We even offer international experience through exchange programmes with the Boys & Girls Clubs of America and trips to Nepal amongst other opportunities.

ABOUT US

THE NABGC BOXING CHAMPIONSHIPS.

The NABGC National Boxing Championships is a prime example of the added value that being part of the NABGC network brings to local communities and the young people within that community. The National Finals are the culmination of the hard work undertaken by young people and volunteers at a local level. Through their membership to NABGC, young boxers are able to become part of a local club and engage in the positive, healthy activity that is on offer. They can then box at a county level and gradually progress through to the national finals.

The NABGC Championships are one of the most prestigious championships in the Boxing calendar, established for over 100-years. Over the years many Olympians and World Champions have boxed in the NABGC Championships. Famous names from the world of Boxing such as Ricky Hatton, Amir Khan,

Tyson and Hughie Fury, Prince Naseem, Anthony Joshua, amongst others make up the alumni.

This year we are pleased to be able to bring one of the national finals to Manchester. On Wednesday 6th December, we will be hosting the Class C Finals at the Victoria Warehouse, Trafford Wharf. The Class C's are for young boys & girls aged 17 and 18 years.

It promises to be a spectacular night featuring the best amateur boxers, future Olympians and world champions from across the UK.

For information on how you can support this prestigious event please see the sponsorship and support packages on the following page.

WHAT YOUR SPONSORSHIP WILL SUPPORT

Any sponsorship and support you provide will go directly to helping young people in Greater Manchester's most deprived communities.

By supporting the work of our local, grass-roots voluntary Boys & Girls Clubs we can help provide positive activities at the heart of communities, that are easily accessible and affordable. We help young people to learn to make positive, healthy lifestyle choices, driving down crime and anti-social behaviour and ensuring that individuals and communities grow and thrive.

It's what we've been doing for over a hundred years and you can help us continue to do so for another hundred years.

Thank you for your support.
