INFORMATION FOR PARENTS/CARERS

BGCGM is a registered charity in England and Wales number 521234. We are a charitable trust. We work with children and young people as part of our activities, including running events and competitions for young people who are members of our affiliated clubs. [Please see our web site at www.bgcgm.org.uk](http://www.bgcgm.org.uk) for further information.

We aim to provide a safe and enjoyable experience for every child or young person. To help us to do this please note the following important information:

- All questions on this consent form must be completed and signed by the person with parental responsibility before any child takes part
- Parents/carers must ensure they notify us of any changes to the information given on the form
- Parents/carers must make arrangements for children to be brought to and from the activity safely and on time. If a parent/carer is not able to collect their child they will need to let us know in advance who will be doing so
- We cannot take responsibility for any damaged clothing and/or personal items during the activity
- Parents/carers should ensure children have sufficient food, water, clothing, sun lotion and medication (where appropriate) for the duration of the activity

BGCGM PHOTOGRAPY AND FILMING

We have a written policy which sets out how photographs and videos of children involved in our activities should be taken and shared. A copy of this policy is available from us. Please see our contact details below.

We will not permit photographs, videos or other images of young people under the age of 18 to be taken without the consent of the child's parent/guardian and in the case of children aged 13 or over the child's permission will also be required. Please note, however, that occasionally we and others will reasonably wish to take wide-angle, more general photographs and images during an event or competition and that these will be taken and used even when consent has not been given.

We will take all reasonable steps to ensure images of young people are used solely for the purposes they are intended. If you become aware that these images are being used inappropriately you should inform us immediately.

Please note that you and/or your child does not own the copyright or have any rights of ownership or other rights in the photographs and videos which BGCGM take or have taken.

If you have any questions or concerns or would like a copy of our Photography and Filming Policy please contact:
Andy Hamill, BGCGM County Club Director, Telephone: 0161 660 4091
